

On the Road

To Bathurst with Dave

Bathurst Ride 28th February,

We had 23 bikes leave from MacDonald's in Richmond at around 8.30am.

We headed off up the bells Line of Road to our first stop in Lithgow where we had a rest stop and regrouped.

From Lithgow we then headed along the Great Western Highway and into Bathurst then up to the Motor Museum at Mount Panorama.

Some of the group decided to look through the museum while a few other decided to test their skills and do a couple of quick laps and I think it would have to be a toss up between Tom and Stewart as to who enjoyed it the most.

From here we all headed off down to the Dudley Hotel to Stumpy's Bistro for a cold drink and some lunch.

While we were at the pub Sheri joined us for the ride home.

We took Toms suggestion (lovely road and sealed he said) and headed back toward Oberon where we encountered 2 patches of dirt road and some heavy rain, Good on ya Tom.

A great turn out

From Oberon we went to Mount Victoria and travelled through some very ordinary weather, once at Mount Victoria we split up and some of the group decided to travel home via Katoomba and apparently they stayed dry, while the rest of us went back across to the Bells Road and down through Kurrajong.

Around Kurrajong we rode into a rather large down pour and some of us got very wet.

Paulina had earlier invited us around for a drink so we all landed on her door soaked through and I believe the cloths dryer got a bit of a work out. We had a couple of our Lady riders with us and they handled the wet weather well and a big thank you to Stewart for looking after them as tail end Charlie.

Good ride through some bad weather without any major incidents.

Well done all.

Dave.
